

The diagram is a detailed site plan of an airport terminal and its surrounding areas. It features a central terminal building with multiple wings and a large hangar. Various zones are delineated by green lines and labeled with codes and names. Key areas include:

- Terminal and Hangar:** The central building is labeled 'Empfangsgebäude Terminal' and 'Halle Hangar'.
- Construction Area:** Labeled 'Baubereich Construction area'.
- Taxiway and Runway:** Labeled 'Taxiway' and 'Höhenweg'.
- Responsibility Zones:** Several zones are marked with green lines and labels: 'Zuständigkeitsbereich DFS', 'Area of responsibility FNG', 'Zuständigkeitsbereich FAI', and 'Area of responsibility FAI'.
- Other Areas:** Labeled 'Hallen Hangars', 'Repair facilities Aero Dienst', and 'G1/G2/U1'.

The plan also shows various aircraft symbols, including commercial jets, general aviation aircraft, and helicopters, indicating different parking and taxiing areas. The overall layout is organized into a grid-like system with various zones and infrastructure.

Legend:

- G1/G2/U1 Abstellfläche Allgemeine Luftfahrt
- G3 Grasabstellfläche Allgemeine Luftfahrt bis 2000 kg MPW
- H1-H4 Grasabstellfläche Allgemeine Luftfahrt up to 2000 kg MPW
- Abstellfläche Hubschrauber/
- Parking area helicopters
